Software Developer | Mobile Developer

+639982423514 | David Mangaldan, Pangasinan | kurtguenpetrola@outlook.com | [linkedin.com/in/kurtguenpetrola](https://www.linkedin.com/in/kurtguenpetrola) | <https://kurtpetrola.github.io>

PROFESSIONAL SUMMARY

Versatile Software Developer with professional experience in **UI/UX design** and a strong technical background in **Mobile (Flutter)**, **Web (React)**, and **Game Development (Unity)**. Proven ability to manage the full development lifecycle, from wireframing to deploying scalable cross-platform solutions.

EXPERIENCE

Freelance Mobile Developer

January 2026 - February 2026

- Collaborated with stakeholders to identify utility monitoring gaps in Mangaldan, Pangasinan.
- Managed the end-to-end development life cycle of the application, from requirement gathering and UI/UX design to final deployment.
- Integrated real-time monitoring features for electricity outages and voltage fluctuations using a Firebase backend.

Pixelhub Design + Digital Agency | Internship

January 2025 - April 2025

UI/UX DESIGNER and GRAPHIC DESIGNER

- Contributed to the design and development of the official website for the Calasiao Local Government Unit (LGU) using WordPress and Figma.
- Designed wireframes for the Department of Tourism (DOT) Region 3 Tourism website using Figma, focusing on a user-friendly layout and a visually appealing design.

MAJOR PROJECTS

Stack IT | Curricular | <https://github.com/kurtpetrola/StackIT>

2023-2024

Project Manager | Game Developer

Unity Engine | C# | LootLocker

- Led the end-to-end development of a casual block-stacking game, from conceptualization to deployment.
- Designed and implemented core gameplay mechanics focused on reflex and precision challenges.
- Integrated iconic locations within PHINMA University of Pangasinan to enhance user engagement and familiarity.
- Oversaw team coordination and task management to ensure timely and high-quality project execution.
- Ensured the final product delivered an engaging, polished, and immersive user experience.

Find My Dorm | Curricular | <https://github.com/kurtpetrola/fmd>

2023

Project Manager | Mobile Developer

Flutter | Dart | SQLite

- Led the development of a location-based application tailored for dormitory search in Pangasinan.
- Focused on assisting students and individuals in finding suitable nearby accommodations.
- Oversaw the entire development process from initial concept to final deployment.
- Ensured the app delivered accurate, location-specific results to enhance user convenience.
- Designed a user-friendly interface to ensure easy navigation and efficient search functionality.

Lead Developer | Frontend Developer

Figma | React | TypeScript | Babylon.js

- Proposed and developed a web system to assist users in building custom PC setups within their budget.
- Integrated an interactive simulation tool with drag-and-drop functionality for component selection.
- Enabled real-time compatibility checks and performance estimation to guide user decisions.
- Focused on delivering a user-friendly and educational experience for both beginners and enthusiasts.
